Total	100+

How to Use This List

For Marketing & Outreach:

- **Tier 1:** Highest reach, most expensive, best for brand awareness
- **Tier 2:** Strong engagement, good ROI for targeted campaigns
- **Tier 3:** Rising stars, high engagement rates, cost-effective

For Research & Alpha:

- **Trading Alpha:** Follow for trading ideas and market analysis
- **Degen Traders:** Follow for high-risk/high-reward plays
- **Pump.fun Power Users:** Follow for new token discoveries

For Content & Culture:

- **Meme Culture:** Best for understanding CT culture
 - **Comedy/Satire:** Entertainment and community sentiment
 - **NFT Crossovers:** Bridge between NFT and meme communities
-

Notes

- Follower counts are approximate and change frequently
 - Some accounts may have changed focus or gone inactive
 - New accounts emerge constantly in this fast-moving space
 - Always verify account authenticity (look for verification, consistent posting history)
 - The meme coin space is highly volatile; do your own research
-

Generated for research purposes. Follower counts and account statuses should be verified independently.
